Yes- I've updated the SDS on the website. I also updated the name of the response (agreed upon by UC) and changed the web address (but that won't affect the link you sent out).

Come hang with us!

Unsure when and how you should report an oil spill or release of hazardous materials in the State of Oregon? Visit <https://www.oregon.gov/deg/Hazards-and-Cleanup/env-cleanup/Pages/How-To-Report-A-Spill.aspx>

State of Oregon: Environmental Cleanup - How To Report A Spill

www.oregon.gov

When to report a spill. You are responsible for the immediate cleanup of your spill, regardless of the quantity involved. The responsibility lies with the person who spills the product, as well as the person owning or having authority over the oil or hazardous material.
